COP IN DODOMA

The Institute of Finance Management on 24th March 2017 during graduation ceremony, awarded certificates to the 71st intake of the training certificate of professional in Insurance, in Dodoma region, about 22 students graduated.

The Rector of The Institute of Finance Management Prof. T. Satta , gave his speech during the graduation ceremony, and one of the things he spoke about was to congratulate the graduands for making the decision to take the course in the intake which started on November 2016. He also reminded the students that the insurance indus-

try grows very fast, and there are so many challenges which need them to find other opportunities that they may extend their knowledge in establishing insurance agencies in the country like the establishment of a national insurance policy, introduction of a small insurance policy (micro insurance), establishment of an insurance policy of the Islamic Insurance Practice and the like. All these policies broaden opportunities in the insurance industry Finally, he argues them to become ambassadors for IFM in conversing others to join the programme..
