The Institute of Finance Management (IFM) has been running Msc Finance, MBA International Business, and Msc IT and Management in collaboration with the University of Strathclyde (United Kingdom), the Indian Institute of Foreign Trade (India), and Avinashillingam University (India) respectively.

Our records indicate that individuals in the list below who were enrolled in the said masters degree programmes have not completed payment of installments of tuition fee.

In this regard, the Institute wishes to notify the individuals in the following list that they should contact us through email: irunde@ifm.ac.tz, or telephone no. +255222112931-4 or mobile no. 0713-706179 OR 0746-860331 between 8am and 4pm, in order to clarify the matter or settle the outstanding tuition fee by 28th February 2018.

The Institute wishes to clarify further that for those who will not come forward to clarify their accounts it will be deemed that the accounts are correct as they currently stand. Unless such accounts are settled by the given date the Institute intends to take further steps to recover the money, including but not limited to taking court action against them.
